Re: PCM North Raleigh C&D Transfer Facility
Permit #92-27T
5509 Thornton Road, Raleigh, Wake County, North Carolina

Dear Mr. Mussler:

This letter is to notify you that Lemuel H. Thornton has transferred ownership of the property where the PCM North Raleigh C&D Transfer Facility is located to Dynasty Holdings, LLC. Please amend the subject permit, or otherwise note for your files as you deem necessary, to reflect that Dynasty Holdings, LLC is the landowner.

PCM Construction Services, LLC is currently operating its North Raleigh Transfer Facility pursuant to a lease it has executed with Dynasty Holdings, LLC. Based on its agreement with Dynasty Holdings, LLC, PCM will cease operations of its North Raleigh Transfer Facility at least by the close of business December 31, 2007. PCM hereby requests that it be removed as the identified operator under Permit #92-27T as of the close of business December 31, 2007. If in the interim, PCM and Dynasty mutually agree to some other arrangement, such as extending the time for PCM to continue operating its transfer facility at the property beyond December 31, 2007 the parties will jointly notify you of the same. Otherwise, as requested, please plan to remove PCM as the operator under permit # 92-27T effective as of the close of business on December 31, 2007.

Please note that Dynasty Holdings, LLC has reviewed and concurs with this letter.

Sincerely,

Sparky Cullen
